

At Smart Eyes, we care deeply about the safety of our patients, staff, and community. At Smart Eyes, we will do what is recommended: social distancing.

The office is closed from 3/17/2020 - 4/4/2020. The online scheduler will reflect this change for appointment requests.

Updates can be found on Smart Eyes Facebook page.

Eyeglass and contact lens orders for immediate pick up will be notified via text or email. Additional contact lens orders can be placed online via [SmartEyesAurora.com](http://SmartEyesAurora.com) website.

Dr. Yun will be available for eye emergency cases only. Please email us [smarteyesaurora@yahoo.com](mailto:smarteyesaurora@yahoo.com) for any emergency requests.

This has been a difficult decision to make, but after much discussion, we believe following the rules for prevention is the best.

Thank you,  
Dr. Hellen Yun and Calvin Yun  
Smart Eyes
